

Best.....Serving the Building Industry with Quality, Integrity and Value....Since 1945

January 1, 2020

STANDARD BLOCK CERTIFICATION

Job Reference:

Mason Contractor:

We hereby certify the Standard Block Manufactured by the Best Block Company to be supplied to the above referenced project meet and/or exceed the specifications rendered as follows:

ASTM C 90 – 14
Grade N
Normal Weight

ECO-BLOCK CERTIFICATION

We also certify that the Standard Block Manufactured by the Best Block Company to be supplied to the above referenced project meet and/or exceed the specification as **Eco-Block**.

Recycled Content:

- **55% Minimum content (by weight) is pre-consumer recycled material.**

Regional Materials:

- **100% of content is regionally extracted or recovered and manufactured within 500 miles of the project site.**

You may rely on the above information as factors when determining the sustainability and environmental impact of using Eco Block in “Green” buildings.

For how this relates to *LEED* Certification; please see US Green Building Council publication “Green Building Rating System for New Construction & Major Renovations - Version 2.2”. MR Credit 4 – MR Credits 4.1 and 4.2 and MR Credit 5 – MR Credits 5.1 and 5.2

Sincerely,
Best Block Company

Andy Pachota
President

Sworn before me this 1st day of January 2020.

Kim Greuling
